## From the East

Dear Brethren,

On Nov 6th I had the privilege of traveling out to Yucca Valley to see our Golden Veteran Award Recipient, Wor. Walter Marsh receive his Golden Veterans Pin. Wor. Walt who served our Lodge as Master in 1968 has been recovering from some recent surgery but was in great spirits.

November was a busy month, and I would like to welcome our newest Master Masons Jesus Uc, Kevin Yee, and Max Nijst. Masonry is a great community and I'm very happy to see them enhancing it with their youth, spirit and character.

Our very own Christ Kallas helped coordinate our Lodges participation in the holiday gift basket distribution of the Bellflower area. We had great participation from you our brothers.

Looking to December, we are planning to assist the York Rights endeavor to help feed needy families in the Bellflower area on December 24th. Some of the details are still being worked out, but we are planning to start at 2pm. If you can participate, please listen for the PhoneTree for more details. Additionally, listen for the PhoneTree for upcoming Degrees, as we maybe have one on December 13th.

As you can imagine, the PhoneTree has become a vital link to you, so if you are a local resident (within 25 miles) please use the PhoneTree to respond to Dinner reservation and special programs.

May your the holiday season be filled with love and family and JOY.

Master

## From the West

Brethren,

I would like to thank all of you for the confidence you have reposed in me by electing me to serve you as Master of the Lodge for 2012. Due to a scheduling conflict, our installation has been moved from its traditional December date to

***Saturday January 7, 2012 at High Twelve.***

I have been busy preparing my Calendar for 2012, and will present a summary in next month's trestleboard.

I want to extend my congratulations to our newly raised Master Masons, Kevin Yee (Nov. 15) and Max Nijst (Nov. 22) and to personally thank all the Officers and guests who participated in their degrees, especially Wor. Jim Allen who gave an outstanding lecture to Kevin. Bellflower Lodge was also very fortunate to have a visit from The Most Worshipful Larry Adamson, 2009 Grand Master of Masons in California, who participated in Kevin's degree and gave a stirring "congratulations" to Kevin after the degree.

I am Looking forward, along with our officers to an exciting and rejuvenated year in 2012. SEE you in Lodge in 2012.

Sr. Warden

## From the South

In November the brethren of Bellflower Masonic Lodge volunteered to assist the city of Bellflower in delivering Thanksgiving food baskets to needy families. The delivery consisted of canned and dried goods, a turkey, and a pumpkin pie. The families whom I met and delivered gift baskets to were very grateful for the assistance.

We also completed our 2011 service to the VA Long Beach Healthcare System (VALBHS) by delivering a sack of fruit and juice to our disabled veterans. During this delivery, we took time to chat for a while with the Veterans, letting them know that we are especially thinking about them at this time of year, and that we truly appreciate their sacrifices and service to our country.

We are looking forward to our 2012 service to the veterans at the VALBHS starting in January. Please plan to join us at 7:00 p.m. on December 23rd at our regularly scheduled Pub Night as we will also be trimming our Bellflower Masonic Center Christmas Tree. Non-Masonic friends and family are especially welcome to attend

Best wishes to all the brethren and their families from the South for a safe and happy holiday season.

Christ Kallas  
Jr. Warden
